**Name:** "Rinforzato" Rosso Puglia igt

**Appellation:** Indicazione Geografica Tipica

**Area of Origin:** Made in the southern Italian region of Apulia, only from traditional and autochthonous varieties.

**Hints of the Vineyard:** The style has been slowly developed and refined over many years by the passionate dedication of the three senior Winemakers of the Giordano Staff. The goal has been achieved with the vintage 2009.

**Ageing:** This wine ages in barriques.

**Grape Variety:** Autochthonous combinations of fine grapes.

**Tasting Notes:** A wine with an intense aroma of red fruits which, in the mouth, expresses all its complexity with fully structured tannins mellowed with the ageing in barriques. Tasty and fresh, it is a wine with a long finish that lingers in the memory. A wine rich of expressions with a masterful character.

**Food Pairing Notes:** The perfect wine for rich meaty stews, roast and game dishes, as well as mature cheeses. Serve at: 18-20°C.
